Locate the dollar sign at 8 stores/locations to the left, then list that business's number under the color coded dollar sign on the entry form on the reverse side.

Each location has a different colored dollar sign hiding somewhere within it, and the only way to discover who has what color is to visit that business. Have fun with this game and re-discover shopping in Hart County this holiday season!

Please fill out the following and return to the chamber office by December 10, 2011. If your name is drawn, we'll contact you! Entry forms can also be mailed: Hart County Chamber of Commerce, P. O.
